CONDITIONS:

1. All Showerama Products should be installed by a Licensed Tradesperson.
2. The product has been installed correctly.
3. Proof of purchase is provided.
4. Adjustment of doors and drawers is done during the manufacturing process. Re-adjustment will be required after installation by the installer and this is not included in the warranty.
5. Showerama Products warranty includes a replacement, repair or credit if any faulty product is received. The warranty does not include any costs from a third party E.G installation charges or removal of any product.
6. All goods must be checked for any damage or quality issues prior to installation and advised to Showerama with proof of purchase.
7. All Showerama Cabinets are made from water resistant materials and are NOT WATERPROOF! A water leak or heavy condensation causing swelling in a cabinet is not an acceptable claim. Please take care and clean up any excess water or condensation immediately to prolong the quality of your cabinet.
